OBJECTIVE & ROLE OF RESEARCH INSTITUTIONAL ETHICS COMMITTEE, MSDASMC,
BAHRAICH

OBJECTIVE:-

The major objective of RIEC, MSDASMC is to review and approve all types of research proposals involving human participants, based on the existing Indian regulations & relevant international guidelines.

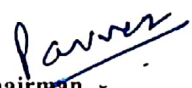

ROLE of RIEC, MSDASMC, Bahraich:-

1. The RIEC, MSDASMC will ensure a quality, consistent & an unambiguous ethical review mechanism for health & biomedical research under the existing rules & regulations.
2. The RIEC, MSDASMC will ensure that all the cardinal principles of research such as autonomy, beneficence, non-maleficence and justice are taken care in planning, conducting & reporting of the proposed research.
3. Committee will also look after the safe guard of the dignity, rights, safety & well being of all actual & potential research participants.
4. RIEC, MSDASMC will ensure proposals before start of the study as well as monitor the research through the study until and after completion of the study via appropriate well documented procedures.
5. Committee will also ensure the universal ethical values & institutional scientific standards expressed in terms of local community values & customs.
6. The RIEC, MSDASMC shall take up the dual responsibilities of reviewing both the scientific content & ethical aspects of the proposal.
7. The composition of RIEC, MSDASMC is multi disciplinary and multi-sartorial. The number of members in the committee will be 6-10.

The Composition will be as close as follows:-

- (a) Chairman.
- (b) Member Secretary.
- (c) 1-4 faculties from Basic Sciences (Pre & Para).
- (d) 1-2 faculties from Clinical Sciences.
- (e) One Legal Expert.
- (f) One Social Scientist / Social worker.
- (g) Layman/Community representative.

Member Secretary
Dr. Nripendra Singh
Professor, Community Medicine
Maharaja Suhel Dev Autonomous State Medical College &
Mahrishi Balark Hospitals, Bahraich.

Chairman
Dr. Mohammad Parvez Khan
Professor, Anaesthesia
King's George Medical University
Lucknow.
